

St. Nicholas Cathedral Website

Needs:

1. Basic Information

- Cathedral name and logo
- Brief history of the cathedral
- Mission / beliefs / denomination information
- Liturgy & feast day schedules
- Confession times
- Address + map location
- Contact information (phone, email)
- Parish Office hours
- New Parishioner Registration

2. Events & Worship

- Upcoming events calendar
- Livestream or recorded services
- Event registration or RSVP option for events the cathedral hosts
- Weekly bulletin download (PDF) - *upcoming*

3. Ministries & Community

- Volunteer opportunities
- Faith education / classes offer and who to contact (Communion classes in English and Ukrainian)
- Link to SNCS website
- Link to St. Nicholas School of the Arts website

4. Communication Features

- Social media links

+ 5. Donations & Support

- Online giving/donation page
- Donation explanation (where funds go)
- Secure payment system
- Fundraising campaigns

7. Visitor Information (VERY important)

- "Plan Your Visit" section
- Accessibility info
- Address + map location
- Contact information (phone, email)

Photo and Video gallery

- FAQ page with explanations of the Byzantine rite (information that is in the pamphlet we use for Open House Chicago)

8. Miscellaneous Items

- External Resources for Ukrainian Catholics (Zhyve TV, RoyalDoors.net , etc)
-

Technical Needs

1. Built on “easy to use” website builder platform for easy future updating/posting to website/etc
2. Integrations with social media (self refreshing YouTube livestream link?, etc)
